INDUSTRIAL CEILING FANS

Typical Applications:

- Air circulation in Industrial & Commercial applications
- Winter destratification
- Summer cooling
- Large areas requiring above average coverage and cooling velocity.
- Traditional fans ideal for dry locations requiring low cost, high performance.
- HPWP fans can be used in high moisture applications.

Industrial Fan Guards

- For use in factories, farm schools and warehouses.

CP

Industrial Ceiling Fan
White & Black 36", 48", & 56"
Brown - 56"

CP HPWP

High Performance Ceiling
Fans 48", 56" & 60"

CP56

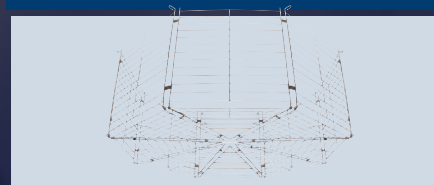

Light Duty Industrial Fan
Chrome & Black - 56"

HVLS

High Volume, Low
Speed Ceiling Fan

CP93-56KD

Industrial Fan Guard

HIGH VELOCITY CIRCULATING FANS

Typical Applications:

- Designed to effectively cool large areas such as factories, stores, offices, restaurants and other public places.
- LF models suitable for wet locations.

HVF

High Velocity Floor/Table/Wall
Circulating Fan
14" - 20"

LF

High Velocity Ceiling or Wall Fan
18"

DRUM FANS

Typical Applications:

- HVR fans suitable for heavy-duty industrial/commercial applications that require large volumes of air be circulated.

HVR

High Velocity Round Drum Fan
24" - 36"

MANCOOLERS

Typical Applications:

- Areas where people, products or equipment require a cooling breeze.
- Locations requiring the transfer of air from one place to another.
- Areas requiring the removal of foul air
- Mills - steel, forging, paper, etc.
- Foundries
- Assembly plants
- Dock areas
- Machine shops

MCS

High Stand Industrial
Mancooler
Steel or Cast Alum Blade
18" - 48"

MCSA

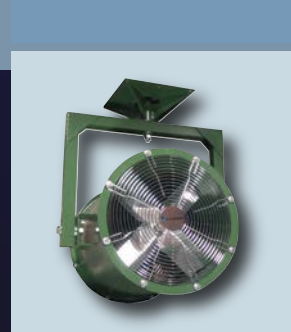

MCU

Low Stand Industrial
Mancooler
Steel or Cast Alum Blade
12" - 48"

MCUA

MCY

Yoke Mount Industrial
Mancooler
Steel or Cast Alum Blade
18" - 36"

MCYA

INDUSTRIAL GRADE CIRCULATING FANS

Typical Applications:

- Summer cooling
- Applications requiring quiet fan operation
- Large areas such as:
 - Plants/Factories
 - Warehouses
 - Stores
 - Restaurants

NOTE: CA FAN HEADS REPLACE CFH FAN HEADS

CA

Pedestal Fans - Heads Only
24" & 30"

MOUNTING ACCESSORIES

CFKPB

Knock Down
Pedestal Base

CFWB

Wall Bracket

CFCM

Ceiling Mount
(Non-oscillating models only)

COMMERCIAL CIRCULATING FANS

Typical Applications:

- Summer cooling
- Home
- Office
- Stores
- Restaurants

PBKD

Pedestal Fans
Oscillating & Non-Oscillating
24" & 30"

WMKD

Wall Mount Fans
Oscillating
24" & 30"

CCU

Knock Down Pedestal Fan
24"

Commercial/HVAC OEM HVAC PRODUCTS

CANARM[®] HVAC

Manufacturing is never easy. You design and build your air handling equipment, furnace and ventilation systems to last. The real challenge is in the system, the blower is the part that makes the air flow. It's the part that makes the system work. The real challenge is in the system, the blower is the part that makes the air flow. It's the part that makes the system work.

THAT'S WHERE CANARM COMES IN.

Whether it's a small single or twin blower for a residential fan, a heavy duty 1000 CFM blower or a large 10000 CFM blower for a warehouse, Canarm has the blower you need. Built to your specifications and to your standards.

Remember, your reputation is at stake with every unit you build. Don't settle for second-best. Make sure that you use the blower that best meets your requirements. Make sure it's a Canarm blower.
